

Camp Mikell Rules

All campers should read and be thoroughly familiar with the following rules. Campers will be held responsible for knowing and understanding the rules, which we believe, are necessary for building and maintaining our Christian Community.

1. Mikell is YOUR camp; therefore, we expect that you will help to keep Mikell clean and respect the facilities of this wonderful place.
2. NO Bullying. Bullying is a detriment to the Mikell community, is harmful to all involved, and is a serious offense. We believe in respecting the dignity and individuality of each and every person. Mikell has NO TOLERANCE for bullying.
3. Personal electronic music devices (iPods, CD players, etc.) are strongly discouraged. If you decide to bring a personal listening device, the use will be restricted to certain times in the dorms. We believe in building community, and we want you to interact with the other campers, counselors and staff.
4. No cell phones. We believe that camp is an opportunity for growth and independence. In case of an emergency, campers will be able to contact their parents or guardians and vice versa.
5. No weapons of any kind are allowed.
6. Respect the rights of other members of our Christian community by being quiet at rest times and after lights out; by respecting the property and privacy of others and by listening and following the guidance of leaders and counselors.
7. Campers may not possess alcoholic beverages or illegal drugs. Campers violating this standard will be sent home. All tobacco products are prohibited.
