

Reimbursement Form for Mikell Camper Recruiting "Share the Mikell Magic"

In an effort to bring even more people into the Mikell family, we are offering this program to help YOU recruit friends and family to join us at Mikell this summer. You are a minister of Mikell, and this is a very real way that you can help the Mikell community. In the process, you can earn some bucks.

Here is how it works:

- This form must be filled out for **EACH** person to receive the \$25.00 refund. This means both the new camper that was recruited and the person recruiting the new camper have to fill out this form independently. If you are referring 5 new campers, then you will need to fill out 5 forms. Each of the 5 new campers will also have to fill out a form listing you as the referring person.
- Once we receive payment in full from the new camper and the camper referring the new camper, we will send a check to each of you.
- **NOTE: If you have received a scholarship (full or partial), then your reimbursement will be applied to our scholarship program to help others attend Mikell instead of being paid to you.**
- If you have any questions, please contact Melanie Struble at mikellreservations@windstream.net or at 706 886 7515.
